 "Larks & Magic "- a one-
 woman drama based on
 the life of E. Nesbit.

From your President

What a beautiful start to September we are enjoying, just as the children go back to school! As the Autumn routines come around our diary dates are filling up again with most of our sub-groups planning meetings this month.

It seems a very long time ago that we visited Hillview Llamas for our August outing. Our members enjoyed feeding willow leaves to the llamas and even got to walk with some of them - see the photos overleaf! Richard and his helper Jordan were pleased to see so many ladies taking such an interest in these remarkable animals. We went on to enjoy a lovely meal at the Hanging Gate with plenty of lively conversation.

The garden party at Ann Cookson's was another outdoor event that managed to escape the frequent showers in August. Our thanks go to Ann for opening her garden to us. The funds raised from the raffle will be going to the Macmillan Cancer Charity.

Looking forward to seeing you all soon.

Melanie Barber

Adelaide Hough Bowls Competition

This year the competition will be held on Monday 18th September at Comberbach bowling green at 10am. It is open to all Whitley WI members.

If you want to have a go but do not have any bowls, not to worry. There are 3 spare pairs available so come along and have a go!
