From your President

I hope this newsletter finds you well and enjoying the fine weather. We have had a lovely couple of events with Baking Beauties. We visited Poppies tearoom in Northwich for afternoon tea in May, and had our June meeting at Jonty's, giving us the opportunity to admire her well stocked garden.

The craft group made decorated glass jewellery items in Teresa's garden, and in July are going to learn about woodworking and calligraphy with Harry and Norah Mosedale.

We are looking forward to our Autumn outing playing crazy golf at Hartford Golf Club (no cost), followed by an optional meal out at Hartford Hall Hotel. We shall need to collect meal choices and money for the meal at the next meeting.

Don't forget to sign up for the Adelaide Hough Bowling day on Monday 1st September. We have bowls available for those who don't have their own. There will be some basic tuition for those who have not played before.

Hope to see you on Thursday.

Regards Susan

Walking Group

Would just like to say a massive thank you to Ann O'Brien for yet another amazing place to meet and walk. Although Ann couldn't make it herself 10 ladies joined our walking group, which was a great turnout.

The walk was around Anderton Nature Park and it was a lovely place to be and we met people with some unusual dogs. The weather was really kind to us and the walk ended with a nice light lunch.

Craft group tried their hand at Glass Fusion courtesy of WI member Teresa Allen who invited us into her garden to learn about the technique. On a baking hot afternoon we all felt we were being baked in a kiln never mind the glass! We left our creations to be cooked in the glass kiln and await the results!

Hartford Golf Club was the venue for this year's **Literary Lunch** organised for CFWI by our very own Pat Sharp. The oversubscribed event was enjoyed by all who attended to hear speaker Caroline England talk about her life and journey into writing. Cheshire Life were there too and several of our members will appear in the August edition!

Baking Beauties were out and about again in June, meeting at Jonty Jones house. After a look around Jonty's lovely garden we moved indoors out of the blustery wind to sample a variety of savoury and sweet delights including cheese and bacon pinwheels, cheese straws, white chocolate and raspberry brownie and a chocolate coffee cake.
