From your President

Dear Members

We had a very enjoyable meeting hosted by Dutton WI last month – Ma Baker kneaded her dough very energetically as she talked! We hope to invite her to Baking Beauties later in the year for a practical session with us. I hope you didn't find the extreme heat this last week or so too much. I'm pleased the garden party was able to go ahead – thanks to Jonty for hosting and arranging that, much enjoyed by all who were there.

I look forward to seeing you at our meeting on Thursday – certainly I'll be very interested to get some tips on getting a good night's sleep. I'm also looking forward to the August Outing that Pat is organising – both the Lion Salt Works tour and the meal at the Antrobus Arms sound great – you can join us for either or both, payment needed at or before our meeting this Thursday. See note in the Art group section – everyone is invited to join us for a picnic at Walton Gardens on Monday July 20th.

Regards

Jean

The **Darts team** had a brilliant day out in Liverpool last month. Two hours playing darts at "Flight Club" followed by a meal gave everyone inspiration for next season!

Jonty opened her beautiful garden in June for **Baking Beauties** and other members of the WI to enjoy an afternoon tea and a stroll around the

flowers. The day was sweltering but a lovely breeze and tables set out in the shade of the trees kept everyone comfortable, Pat L thanked Jonty for her hospitality.

The **walking group** combined Whitley and Dutton members in June and walked around Little Budworth Common following the Woodpecker heathland trail.

A lovely walk through woodland and open heathland was enjoyed by all as was the lunch at Tarporley Garden Centre!
