From your President

Dear Members

I hope you have enjoyed the hot and sunny start to the summer. Look out for the scarecrows that the Craft Group have created on Raddel Lane - a lovely idea and a nice contribution to village life - thanks to Annette. Thanks also to Pat S for organising the May outing to the Police Museum and the trip to the Brio Theatre to see 'We will rock you' – both very popular and successful events.

There are 2 special events to look forward to this summer as you will have seen on your email. Jonty's garden party and the August outing to the Lion Salt Works. Remember there is no WI meeting on Thursday 4th June - please try to join our Joint meeting with Dutton WI on Tuesday 9th June at Preston Brook Village Hall, WA7 3AW. The topic is 'All Things Bread' and the competition is 'An unusual kitchen implement'.

Jean

Art Group had a go at 'Still Life' last month producing some amazing pictures using acrylics or watercolours.

July

Thursday 2nd - Main meeting WVH
7.30pm. Maureen Pearson letting
us know about 'Techniques for
getting a good sleep'.

Wednesday 8th - Literary Lunch at
Hartford Golf Club with Jane
Costello.

At May's **Craft Group** Mr H
Whitley and Mrs L Whitley were
dressed in their finery and are now
sitting comfortably under the WI
tree at the nature reserve where
they will bring a smile to the faces
of people passing by!

They will be there
until after Rose
Queen Day on June
13th so make sure
you pop along and
say HI!

Choux pastry was the subject of this month's **Baking Beauties** and we had a variety of profiteroles, chop rings and some savoury gougères and filled choux buns.

The size of eggs used
seem to be a limiting factor
for some bakes - Jonty's
first choux ring was a little
flat, but she persevered and
tried again with more success!

Our **May Outing** to the Cheshire Museum of Policing
saw members sitting in Police Cars and even on Police
motorbikes! It was interesting to learn how the role of the
police has changed over the years and the
challenges faced today.
